FSC1200H BLACK

Black Display Cooler

Product features:

- Illuminated canopy
- Internal vertical light
- Black interior and exterior
- Adjustable shelves
- Adjustable feet
- Ventilated cooling
- Hinged alu-framed glass door

Black 2-door display cooler with canopy

The FSC range is with a light canopy. The possibility for customized branding is eye-catching and stimulate impulse sales. The unit keeps beverages cold whilst presenting and promoting the products to their best advantage.

This model is with black exterior and interior. The black exterior finish looks great, the black interior makes the content stand out - especially with LED lights perfectly illuminating the content. It is ideal for high-end cafes, delis, patisseries and in-store placement in supermarkets.

It comes with 5 adjustable black wire shelves, 2 self-closing hinged glass doors, 2 vertical full length LED lights inside the door frame and a LED light canopy.
