Adjustable shelves

Presentation shelves available as option

## Black bottle cooler suitable for wine

The CPV1380E provides a great value for money option for storing and displaying wine, whether it is at a pub, bar, restaurant or supermarket. Using the control panel at the top, it is easy to set the temperature either for white or red wine. The cooler comes with 6 adjustable wooden wine shelves, but there is also the possibility to add wire shelves for highlighting particular bottles.
