LED light inside door frame

Adjustable shelves

Slim White Bottle Cooler

Our slim FS176H is only 435mm wide. It is an ideal glass door bottle cooler where space is limited but you want to maximise your sales. It comes with 5 adjustable white wire shelves and 2 vertical full length LED lights inside the door frame. The unit is ideal for cafes, delis, gas stations or other places with limited space. It is perfect for branding on the sides or on the glass door. We also have a version with canopy.
